

MARANELLO KART RACING TEAM AT THE START OF THE SEASON WITH THE 25TH WINTER CUP

The two Factory Teams on the South Garda Karting circuit
SGRace and SRP Racing

At the start on the starting line, the two Factory Teams SGRace and SRP Racing which will also represent Maranello's home on the main international circuits this year.

Many novelties this year that will characterize the Maranello chassis accessories starting from the new livery that will have a new and captivating image up to the new collaborations undertaken with the various AMV manufacturers that will supply the hubs exclusively for Maranello, IMAF for the seats and K-Kart for the new brake system.

In the race with Stefano Griggio's SGRace Team there will be Dante Massimo and the new entry Rossini Nicola both in the KZ2 gear category supported by Rizzi Tiziano's TM engines.

With Maik Siebecke's German SRP Racing Team there will be the young promise Trefilovs Davids in KZ2, Hoffmann Leon in OKJ and Kovolos Stelios in Mini Rok.

Also present in the gear category KZ2 La Martina Alessio.
